# Quality Policy

At MWT&S we are committed to deliver high quality products, services and solutions that enhance productivity to create satisfied and loyal customers. We deliver on time and meet all customer requirements, statutory/regulatory requirements and needs, expectation of interested parties. We are also committed to continually improve our Quality Management System and its processes through clearly defined objectives

We shall aim to achieve this through:

**Identification of issues, risk & opportunities.**

**Continuous innovation.**

**Continual improvement in skill level of people.**

**Review of Quality Management System.**

**Team work & total employee involvement.**

**Adopting the safer work practices.**
